

# STORYBOARD FOR PERSONA 1: SAMANTHA

## UX Design Storyboard

Scenario: A mobile App that allows users to swap skills at your convince

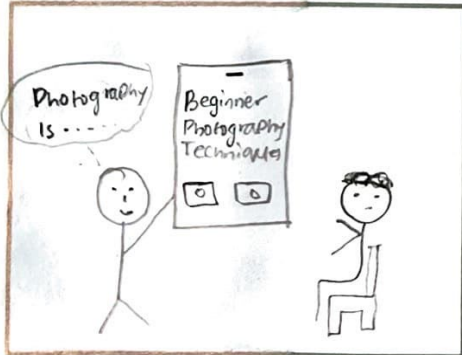

Samantha needs a skill exchange platform  
Her friend told her about Skillswap app  
Samantha is browsing the Skillswap app on her phone.

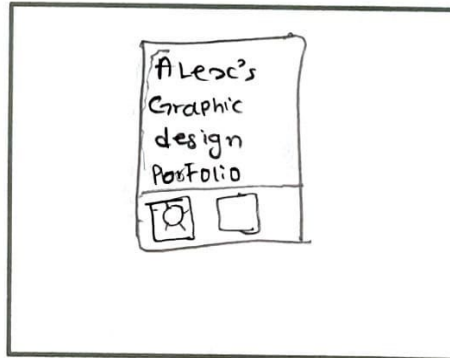

She comes across a workshop on photography  
Offered by Alex, and send him a message to  
Indicate her interest

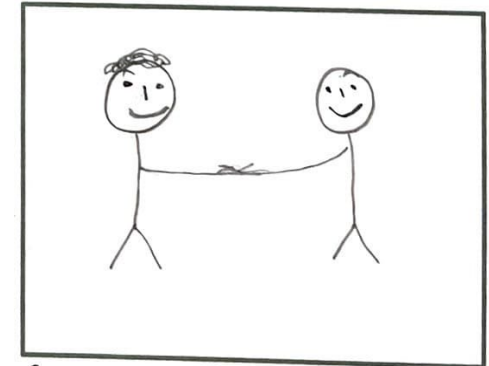

Samantha and Alex decided to meet at  
a local coffee shop for the skill exchange  
session

They engage in discussion about  
Photography techniques, sharing  
their knowledge and experience.

Samantha provides feedbacks on Alex's  
Portfolio, offering suggestions on how to  
improve his graphic designing skills

Both Samantha and Alex leaves the skill  
exchange session feeling satisfied and  
motivated to continue <sup>their</sup> learning journey.
